CONTACT US

Our Services

We provide a wide range of services

Steam Car Wash

Gives highest level of hand-washing results, including wheels and hard-to-reach areas of your car.

Home Cleaning

Get Safer and Eco-friendly environment by killing germs, viruses and allergens like Dust mite

Polishing

will remove firmly bonded surface contaminants and subsurface paint defects, and will prepare the surface gloss for wax application.

Sofa Shampooing

Regular shampooing is a must to maintain an attractive appearancefor sofas. Remove overtime dust and dirt.

Interior Shampooing

Transforms the interior from "It's so dirty" to "It looks brand new". Get the seats, floor mats, dashboard, door panels, etc cleansed by removing dirt, grease and sweat.

Ceramic Coating

The nano-coating can protect the car from most scratches, dirt and chemical contaminants.

Engine room cleaning

Engine cleaning helps to runs a little cooler because removing the gunk formed by dirt, oil and grease allows engines to run cooler

Headlight restoration

Restore aged headlight lenses that have become discoloured or dull due to oxidation.

Kills Bacteria

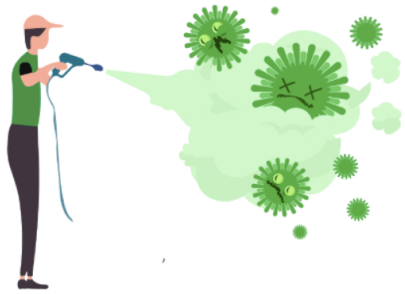
Dry steam helps to kill bacteria, viruses and germs

Largest Network

Have 50+ franchises all over India.

Save Your Time

Provides our service at your convenient time and place.



Can Steam "Kill"

Corona virus ?

Yes!!! As per the document released by W.H.O. corona virus can be destroyed with the help of dry steam at 80° Celsius (https://www.who.int/csr/sars/survival_2003_05_04/en). That means the virus stands no chance with the steam we use which is at 180° Celsius.
